

## Calumet Region Photo Club

### Zoom Meeting Minutes – Tuesday, April 13, 2021

1. Our President, Gail Scott, called the meeting to order at 7:00 P.M.
2. Gail made the following announcements:
  - a. We will hold our annual picnic again this summer on July 20, 2021, 6 PM at Veteran's Memorial Park in Munster. We will reserve the shelter again in case of rain.
  - b. Our meeting next week will be mentoring. Everyone is invited to submit 3 images, plus 1 favorite photo.
  - c. Gail introduced a new activity for our club members, The Crappy Photo Challenge, which we will use for our mentoring meeting on June 15, 2021. She thanked Jackie Huppenthal who suggested this idea.

Everyone received an email from Gail on April 1, 2021, outlining the details of the challenge. Briefly, those who wish to participate will submit a crappy photo straight from their camera (unedited) along with an edited version they created. Other volunteer editors will also submit an image of how they envision an edited improvement. These images will be presented at our June 15, 2021 meeting.

    - Contact Gail by April 30, 2021 if you want to participate.
    - Submit your original image and your edited image to Gail by May 7, 2021.
3. Michael Kobe used a slide show to report on the CACCA results from their meeting on April 10, and he announced the individual honors our club members received.
4. Gail introduced our speaker for the evening, Carlos Cardona, President of The Garden Photographic Society Club. The title for his presentation was "Photo Tech Talk. What Every Photographer Needs to Know.
5. Everyone enjoyed his talk, and after a period of questions and answers, Gail thanked him and our meeting was adjourned at 8:45 PM.

Respectfully submitted,  
Thea DeVries
