

The CACCA Board of Directors met on Saturday, July 25, 2020 to establish the competition rules for 2020-2021. We as a CACCA Club must abide to these rules. Listed below is a synopsis:

- There will not be any print competition.
- All competitions will be held remotely using a platform like Zoom.
- Judges will not be present they will judge from their individual homes.
- The competition will be on the second Saturday of each month [October-May].
- All entries in interclub and individual competitions will be in the DPI format, with the maximum size of 1400 X 1050 dpi's, and submitted in the jpg format.
- For interclub competition, there will be two divisions: Monochrome and Color.
- There will be a Class A and Class B in both Interclub divisions.
- Monochrome DPI's will not be allowed into the color DPI division and vice-versa.
- There will also be individual competitions for Portraits, Photojournalism [PJ], Nature, and Creative.
- Entries in both Interclub and Individual will be limited to four DPI's per month along with up to four make-ups.
- Entries for interclub competitions could be anything that has not been entered previously in CACCA's DPI competition.
- Entries for individual competitions could be anything that has not been entered previously into the corresponding, individual CACCA print competitions or Creative DPI. For example, an image that has been entered into previous Nature Print competition CANNOT be entered into the Nature DPI competition.
- There will be "Special Theme" monthly competitions. The entries could have been taken at any time, but they must be new to CACCA competition i.e., never entered into any CACCA competition as a inter club nor as an individual competition
- "Special Theme" Judging will be done by everyone registered for this competition, but participants are requested to skip judging their own images.

The special monthly theme for 2020-2021 are:

- October - A touch of Red
- November - Shadows
- December - Unusual angles in cityscapes and architecture
- January - Monochrome with a splash of color
- February - Nature enhanced by the hand of man
- March - Food
- April - Pets
- May - Alone
