

CRPC Competition Requirements for 2018-2019

All members are required to follow these guidelines for entering competition. Failure to do so will result in the disqualification of the image or DPI for that month.

DPI COMPETITION ~

1. The new address to submit DPIs is crpcdpi@gmail.com
2. Submit all DPIs in the form of attachments to your email. No other forms are acceptable.
3. Images must be 1400 px wide by 1050 px high or smaller with 72 resolution.
4. Title all images correctly. Example: A12PhotoName.jpg.
5. Fill out entry sheets correctly, completely and clearly before your arrival at the competition meeting.
6. The deadline to submit images to Loretta Sullivan, our new competition record keeper, is 6:00 PM on the Sunday prior to the competition meeting. There will be no exceptions or changes made.
7. Remember to pick up your member portion of the entry form at the conclusion of the competition. Leftovers will be discarded.

PRINT COMPETITION ~

1. Fill out entry forms correctly, completely and clearly.
2. Fill out sticker forms correctly and place one on the back of the image in the upper left-hand corner.

NOTE:

Please do not wait until the meeting time to complete your entry forms as this delays the start of competition.

Entry forms are available at the meetings to pick up in advance for the next competition meeting so that you can properly complete them at home.

Lastly, members are encouraged to go to the club website at www.calregionphoto.org to electronically fill out and print entry forms which makes them much easier to read.

The CRPC Administrative Board thanks you sincerely for your cooperation in following these guidelines and helping us make this year our best ever.

Raleigh Wolfe, Tom Zmigrocki, Gail Scott, and Thea DeVries
