Upcoming Meeting

Tuesday, February 14, 2017 at 7PM – In lieu of a regular presentation, members are asked to bring a flash drive with two DPI images they would like the group to view and provide constructive feedback.

President's Letter

By Raleigh Wolfe

Hi Everyone,

Well, the big month is here. It is February, 2017 and it is our Clinic month. We are planning the great Clinic day for all attendees. The deadline for registration which would guarantee both a breakfast and lunch along with the Clinic itself is Friday, February 11th. Should you miss that deadline, you may still register up until the day of the Clinic. However, we may be unable to guarantee the breakfast and lunch. In that instance, attendees would not be charged for missed meals.

I have communicated with Ed Post, our presenter for the day, and he has assured me that he is both prepared and excited for the day. Our registration will start as early as 8:00 AM on the day of the Clinic, and the program will start between 8:45 AM and 9:00 AM.

We are in need of volunteers to assist throughout the day, so we are looking to you, our membership, to step up and help us make the day a success. You may contact Tom Zmigrocki, Dave Dornberg, or me to volunteer. A particular need is someone to help Tom with early morning registration. Please help us out!

Our regularly-scheduled program meeting is on February 14th. The subject matter will be image critiques of club members' work. Dave will also provide additional information in this Newsletter. Dave will also run the meeting as Louise and I will be celebrating our 20th wedding anniversary on Valentine's Day.

Our competition meeting will be on February 28th. We had an excellent competition month in January, and I

hope the same will be true in February. So, please submit your DPIs to Tom, and bring your prints for competition.

I want to wish everybody a Happy Valentine's Day and

suggest that you give your sweeties a hug.

Continued good shooting,

Upcoming Meetings

March - Jim Rettker will present "Astro Photography", and show us how to create eye popping images of the cosmos

April - Al Alvis - To Be Announced

May - Michael Kirkland will present "Using Google Nik" to create stunning images

Matte Board Sales for Competition

The club provides photo matte boards to current Calumet Region Photo Club members.

Boards may be purchased in the following sizes:
11"x14" black matte board w/out adhesive \$.95
16"x20" black matte board w/out adhesive \$1.40

Matte boards are available for purchase at club meetings. Please email dennisw.gray@gmail.com with the number of boards you would like to purchase.

Mentoring Meeting

There will be a mentoring meeting on Tuesday, February 21, 2017 at 7 PM.

We will discuss how to previsualize images for conversion to monochrome.

Please bring 4 DPI images on a flash drive you would like to show the group for constructive feedback.
