Upcoming Meeting

Tuesday, March 10, 2020—Al Alvis will be presenting on critiquing images to improve our image making skills and the “Good, Bad and Ugly of CACCA Judging”.

President’s Letter

By Raleigh Wolfe

Hi Everyone,

Well, this is the biggest month of the year for the Calumet Region Photo Club. This is the month of our 11th Annual Photo Clinic. As you all know, Adam Jones, a Canon Explorer of light, will be our featured speaker. It’s going to be a great day and I hope everyone is planning to attend. I want to remind you that it is very helpful for our planning if everyone registers as early as possible. We would like to have everyone registered by March 14, 2020. That is two weeks prior to the clinic and will assure everyone will get the full benefit of the entire day. This includes of course, a continental breakfast, a noontime lunch and eligibility for the door prize drawings at the end of the day. We will be able to accept late reservations up until Saturday, March 21 so don’t delay and avail yourself of the benefit of the entire day by registering in a timely fashion. Also, we encourage everyone to register a friend and bring them to the clinic so that they may derive the full benefit of a good day learning more about photography and enjoying a good day with friends.

Our program meeting will be on Tuesday, March 10, 2020. Al Alvis will be presenting the program on critiquing images in such a way that will lead to improvement in our image making skills. He will also be explaining the good, bad and ugly of CACCA judging. It will be an interesting and informative program so I hope everyone will attend.

Our mentoring group will meet on March 17, 2020. Dave will be emailing everyone the subject for that group meeting. Remember to bring along 3 to 4 images you would like to have comments and a critique from the group. I always enjoy the mentor-

ing group as it is a very positive learning experience for all.

Our competition meeting will be on March 24, 2020. We have excellent judges coming to evaluate our images. I know the judges personally and I know also they would be happy to comment on individual images if asked. Once again, I want to emphasize that competition is an excellent way to improve our photographic skill sets and to enjoy a little collegial competition among friends.

Please don’t forget the value of the clinic and remember it is the club’s way to financially support the programs, field trips, and equipment needs of the club.

In the meantime, good shooting to all.

Mentoring Meeting

CRPC will hold its mentoring meeting on Tuesday, March 17, 2020 at 7PM.

Bring 4 images you have been working with on a flash drive. Images should be sized 1400px x 1050px.

Mat Boards for Competition

The club provides photo mat boards to current Calumet Region Photo Club members. Boards may be purchased in the following sizes:

11”x14” black board w/out adhesive \$1.00

16”x20” black board w/out adhesive \$1.50

Mat boards are available for purchase at most club meetings. Please email Dennis Gray with the number of boards you would like to purchase:
