President's Letter

By Amy Metrich

Summer is finally here! The weather is finally cooperating! I hope everyone is able to get out and shoot a few photos. I was able to take some candid's of a second birthday party. Those kids are full of energy and a hoot to try to capture. I think I'll stick to my mountains and arches and other things that DO NOT MOVE!

Well, as you have probably noticed, our president, Raleigh Wolfe is absent from this month's President's Letter. He is off enjoying some family time and I'm sure shooting some amazing shots. I can't wait to see what he brings back--award winners, no doubt! And speaking of award winners, don't forget to mark your calendar for our annual picnic, July 12 at the Veterans Memorial in Munster. This is where we eat, talk photography, and of course, present awards to our Print of the Year winners, Master Photographers, and the Michael Kobe Service Award. It's sure to be a fabulous time!

Now, let's talk about June's meeting--7:00 on June 14 at the usual spot, the Munster Community Park Social Center. This month's meeting will feature a time for us to share some of our prints. Do you have a photo that you really like, but is missing something? Maybe the composition feels right, but something in post-processing is off. Or maybe you wonder what you could do to really make this photo sing. Please bring 2-3 prints to share and discuss. We will have a panel of experienced club members to give suggestions and advice. This will be a friendly, supportive, non-competitive time for members to share what they're currently shooting. I know I have a few photos from a recent trip to Palouse, Washington that I would really like some feedback on!

I hope to see everyone at June's meeting! Happy shooting photo bugs!
