PRESIDENT'S LETTER

By Raleigh Wolfe

Hello Everyone.

It is December and the holiday activities are upon us. Our Potluck Dinner is less than a week away, and our December competition meeting follows shortly thereafter on December 15th. Remember to get your DPI's to Cindy by December 13th.

We are moving ahead with our plans to hold our annual all day clinic this spring. Information and publicity will follow as our plans crystallize.

We are also working on scheduling the Photoshop Elements 14 class with Bill Brown in February, 2016. We had 13 members indicate their wish to take the class. Given the numbers, we are likely going to have Bill teach the class in two groups. We will arrange for an early group and a late group to meet on the same four days in February. If you are interested in attending one of the classes and have not signed up yet, please do so by emailing me soon as remaining slots are very limited.

I want to wish everyone a very Merry Christmas and Happy Holidays. It is a time of true celebration, reflection, and renewal.

Raleigh Wolfe
President CRPC

Tuesday, February 9, 2016 at 7 PM

Member Mylinda Cane will present "Impressionistic Photography". She will show our members how to add an artistic flair to our images either through techniques in the camera or in post production using software.
