Board Members Present: Gail Scott, Loyce Fandrei, Thea De Vries

Meeting convened at 7:00 PM. We counted the members present and confirmed that with 25 members signed in via Zoom, we have a quorum present which is necessary to vote on changes to our club's constitution.

1. Voting on changes to Calumet Region Photo Club Constitution

- The changes were emailed to each member by Gail Scott, President, on 11-25-20.
- Michael Kobe moved to accept all changes proposed.
- Raleigh Wolfe seconded the move.
- Gail opened the subject for discussion. No one had any questions or comments. Because there were no objections, we voted on the proposed changes.
- The changes to the constitution were unanimously approved.
- The new constitution can be found on CRPC's website.

2. Michael Kobe presented a report on our club's participation at the CACCA Competition on January 9, 2021. He mentioned our club's standings, also those who won Awards and Honorable Mentions with their photos. He emailed all that information to members on Sunday, January 10, 2021.

3. Our meeting next week Tuesday will be on "Mentoring."

4. Raleigh Wolfe gave a report on the virtual clinic our club will sponsor on the mornings of Feb. 20 and 21, 2021. The speakers will be Blake Rudis, Matt Kloskowski, and Jim Welninski. More information will be forthcoming.
