Zoom Meeting Minutes – March 9, 2021

- A. Our President, Gail Scott, opened the meeting at 7:00 PM.
- B. Gail made several announcements about upcoming meetings.
 - 1. Next week, March 16, will be our mentoring meeting. We can email two images for mentoring, and one image as a “favorite.” She suggested we have handy the metadata for that image in case someone asks how we shot that image.
 - 2. Voting has opened up for the CACCA special this month, and the theme is “Food.”
 - 3. March 23 will be our competition night.
- C. Gail introduced our speaker for the evening, Bill Brown, who will talk about “Restoring Old Photographs.” Bill holds several positions in CACCA, Editor of the Newsletter and the Digital Newsletter, as well as Interclub Pictorial Digital Images CPI.
After Bill’s presentation, he opened up the discussion for questions and answers.
- D. We thanked Bill for his program, and meeting was adjourned at 8:45 PM.

Respectfully submitted,
Thea De Vries, Secretary
